---

Hello,

Thank you for submitting a revised terminal plan to CARB. Staff have reviewed the plan and the feasibility study and determined the requirements of Section 93130.14(a) have not been met. Specifically, the schedule for installing equipment, as described in section 93130.14(a)(3)(F) of the Regulation, has not been provided.

For any questions regarding the 2020 At Berth Regulation please reach out to shorepower@arb.ca.gov.

Regards,

CALIFORNIA
