

Community Air Protection Program:

Community Selection Process and 2020 Community Recommendations Information for Webinar – June 30, 2020

For general information regarding the Community Air Protection Program, visit the Community Air Protection Program webpage: <https://ww2.arb.ca.gov/capp>.

For questions or comments during the June 30 webinar on the 2020 Community Recommendation and Selection: enter question in webinar Questions area of GoTo Webinar or email communityair@arb.ca.gov.

For questions or comments after the Webinar, please contact: Laura Z. Schmidt at (951) 465-7105 (Laura.Zschmidt@arb.ca.gov) or Liliana Nunez at (951) 405-4510 (Liliana.Nunez@arb.ca.gov).

2020 Timeline

June 30, 2020	Kick-off webinar-process and community list
Summer 2020	Ongoing engagement
Summer 2020	Consultation Group / Initiate transferability discussions
October 16, 2020	Air district recommendations (for new communities and monitoring communities transitioning to community emissions reduction programs) submitted to CARB
Fall 2020	CARB release draft recommendations and community meetings
December 10-11, 2020	Board consideration of additional communities at its public hearing

Community recommendations can be emailed to communityair@arb.ca.gov or airecomunitario@arb.ca.gov (Spanish). Communities can also self-nominate and community members are encouraged to work with their local air districts to nominate their community.
