

# Statewide Expansion of the Clean Cars 4 All Program

Public Workshop: April 11, 2022

**CLEAN CARS  
FOR ALL**

**CLEAN CARS  
4 ALL**

# Agenda

- Program Background and Achievements
- Statewide Expansion
- Solicitation for Statewide Administrator
- Program Performance and Goalsetting Report
- Next Steps
- Discussion and Q&A

# Program Status and Achievements

- **Program status:**
  - \$190M allocated to-date including \$75M in Fiscal Year (FY) 21-22
  - Funded more than 12,000 vehicle replacement projects
  - All district programs are currently open
  - San Diego's program is coming soon.
- **Program Updates:**
  - Statewide expansion
  - Enhanced flexibilities
  - Assembly Bill (AB) 630 Report - Goals and Program Evaluation

# Developments for Statewide Expansion

- Clean Cars 4 All (CC4A) Public Meetings
  - August 2021
  - January 2022
- FY 21-22 Funding Plan Approval
- Guideline Changes to Enable Expansion
  - Completed by June 2022
- FY 22-23 Draft Budget Bill Zero-Emission Vehicle (ZEV) Package
  - \$250 million proposed allocation

# Goals of Program Expansion

- Expand equitable access to clean transportation
- Maintain the community-focused outreach, education, and consumer protections
- Respond to stakeholder support for expansion beyond 5 largest air districts
- Continuation of existing district programs

# Proposed Eligibility

- Residents in every zip code not currently eligible for CC4A
- Income requirements
  - < 300% Federal Poverty Level
  - \$65,880 for a household of three
  - \$79,500 for a household of four
  - Nearly 90 percent of program participants meet this criteria
- Maintain focus on communities with greatest need

# Equity Strategies

- Needs-based approach
  - Lowest incomes, disadvantaged communities
- Work with Community-Based Organizations and Access Clean California
  - Targeted outreach, education and access
- Utilize improved survey data
- Stakeholder and Community Input
  - What other factors should determine need?

# Solicitation for Statewide Administrator

- Proposed joint solicitation with Clean Vehicle Assistance Program
  - Maximize partnerships for targeted outreach and support for communities with the greatest need.
  - Streamlining various CARB incentive programs for the consumer
- Open to entities with experience in administering equity-focused incentive programs

# Solicitation Timeline

- To be released early June 2022
- To close early July 2022
- Applicant Selection Period
- Applicant summaries
  - Published 10 days prior to announcing the solicitation award

# Teleconferences

- Preliminary teleconference to be hosted mid-June 2022
- Final teleconference to be hosted late-June 2022
- Only solicitation related questions will be answered
- All Q&A documents to be published on webpages

# Applicant Selection Period

- Questions will be only be addressed during the teleconferences
- Email is preferred
- Selection period will be about 3-5 weeks

# Evaluation and Goal Setting Report

- Developed as part of the Funding Plan process
- Mandated by AB 630 to analyze performance and set quantifiable goals
- Illustrates long-term direction of CC4A
- Informs other long-term plans such as the Three-Year plan for ZEV Incentives

# Evaluation and Goal Setting Report

- Participant feedback and stakeholder input is essential
- Incorporates past experiences and lessons learned
- Other data includes:
  - Completed projects
  - Application volume and processing capacity
  - Department of Motor Vehicles data and other metrics
- Report development meetings in following weeks

## Next Steps

- Additional Public Meetings
- Finalize Regulation:
  - June 2022
- Statewide Solicitation
  - Early June 2022
- Program Evaluation and Goalsetting Meetings

## Discussion and Q&A

Use the raised hand function (#2 if calling in by phone) or submit your question or comment in the Q&A box on Zoom.

Please state your name and affiliation before asking a question or making a comment.
