Hello Giles,

We have reviewed the Port and Terminal plan for the Port of Hueneme. We would like to deem the plan complete, but there is one small detail missing from the plan.

If you can please update the plan to include the terminal's GPS coordinates and submit the plan back to us we can then approve the plan as complete.

Please let me know if you have any questions.

Hi Giles,

Thank you for submitting the Port and Terminal Plan for the Port of Hueneme. We confirm safe receipt of the attached Plan. CARB staff will review the Plan for completeness and will reach out to you in a separate email if we identify any areas that need additional information. If you have not heard from us after 90 calendar days from today, then you can consider the Plan complete.

Best,

Hi Angela et al.,

Please find attached the Port and Terminal Plan for the Port of Hueneme as required by the Control Measure for Ocean-Going Vessels At Berth. We look forward to continuing to coordinate with CARB on our plans to successfully implement this regulation. Thank you very much,  
Giles
