

FY 19/20 AB 617 Implementation Funds Final Report

I.	Report Number:	FY19/20 2022 Final Report
	Title:	Community Air Protection Program Implementation
	Name of Grantee:	Glenn County Air Pollution Control District
	Date:	6/30/2022
	Grant Number:	G19-CAPP-10

II.	<p>Costs associated with specific tasks: <i>(for example: identifying location for monitoring, deploying community air monitoring systems, fence- line monitoring, reporting emissions, developing a community emissions reduction program, establishing best available retrofit control technology requirements, adopting an expedited schedule for the implementation of best available retrofit control technology, community meetings or other Community Air Protection implementation efforts and outreach). Information for outreach events must include the date, location, topics, and number of attendees, for each event.)</i></p>
<p>Staff evaluated AB 617 regulation including: best available retrofit control technology requirements, completed the expedited schedule for the implementation of best available retrofit control technology, performed public outreach, Sited and installed purple air monitors, and evaluated potential and associated rules.</p>	

III.	<p>How is grant being utilized to meet goals of AB 617: <i>(If applicable, include emissions reductions being achieved)</i></p>
<p>BARCT rule evaluation for 617 facilities, purple air monitor siting and installation, and AB 617 public outreach.</p>	

IV.	<p>Summary of work completed and in progress since the last progress report:</p>
<p>Evaluated best available retrofit control technology requirements and worked on the expedited schedule for the implementation of best available retrofit control technology and associated rules. Sited and installed purple air monitors.</p>	

V.	<p>Grant funds remaining and expended:</p>
<p>Primary staff time for the FY 18/19 grant covered 2/1/19 to 6/27/20. For tracking purposes we try to devote staff time to one FY at a time. The District will bill the FY19/20 grant for staff time from 6/28/20 to 6/26/21. Staff documented 157 hours from 6/28/20 to 6/26/21. 157 hrs at \$108/hr is \$16,956.00 The FY 19/20 grant was for \$25,787.00. The remaining \$8,831 plus interest was expended on staff time choosing locations and deploying purple air monitors in the region during May and June of 2022.</p>	

VI.	<p>Expenditure summary showing all Community Air Protection Program Implementation Funds for which reimbursement is being requested:</p>
<p>Not requesting reimbursement as funds were advanced to the district.</p>
