

CARB Technical Meeting Agenda

Embodied Carbon Reporting Technical Meeting

Tuesday, October 30, 2025

9:00 a.m. – 4:00 p.m. (PDT)

This event will be held both in-person and online via Zoom webinar.

Morning Session, Covered Building Materials: 9:00 a.m. – 12:00 p.m.

Afternoon Session, Covered Projects: 1:00 p.m. – 4:00 p.m.

In-person:

Sierra Hearing Room (2nd floor), CalEPA HQ, 1001 I St., Sacramento, CA, 95814

[*RSVP Here*](#)

Online:

Zoom webinar; register via the following link:

[*Register Here*](#)

Purpose

The California Air Resources Board (CARB) invites you to participate in a public meeting as part of CARB's ongoing rulemaking process on embodied carbon. The purpose of this technical meeting is to receive feedback from interested parties and potentially regulated entities on staff concepts for an embodied carbon reporting regulation. At this meeting, CARB staff will present information on the technical work being done to develop an embodied carbon reporting regulation pursuant to [*Assembly Bill \(AB\) 2446 \(Holden, 2022\)*](#) and [*AB 43 \(Holden, 2023\)*](#), and request feedback from interested parties who may have expertise in manufacturing, importing, or retailing of building materials, as well as those with expertise on planning, developing, designing, and constructing new buildings.

This will be the second technical meeting that the CARB Building Embodied Carbon team is hosting. The first technical meeting covered the baseline methodology used to calculate the 2026 point-in-time baseline for California's greenhouse gas emissions from the building sector as required in [*California Health and Safety Code Section 38561.3*](#), and the materials from that meeting and a recording are available on [*our program website*](#).

The focus of the morning session (9:00 a.m. - 12:00 p.m.) will be on building materials covered under this program, including proposed material sectors/categories and

timelines, staff concepts for reporting requirements, and a staff walkthrough of a draft reporting template.

The focus of the afternoon session (1:00 p.m. - 4:00 p.m.) will be on construction projects covered under the program, including proposed project types and timelines, staff concepts for reporting requirements, and a staff walkthrough of a draft reporting template.

Slides used during the staff presentation will be posted there prior to the start of the meeting as well.

Agenda

Time	Topic
9:00 – 9:10 a.m.	Welcome & Introductions - Materials
9:10 – 10:40 a.m.	Staff Presentation - Materials • Background and Prior Engagements • Proposed Reporting Requirements • Walkthrough of Reporting Templates
10:40 – 11:30 a.m.	Technical Discussion - Materials
11:30 – 11:50 a.m.	Public Comments - Materials Both in-person and online
11:50 a.m. – 12:00 p.m.	Next Steps
12:00 – 1:00 p.m.	Lunch Break
1:00 – 1:10 p.m.	Welcome & Introductions - Projects
1:10 – 2:40 p.m.	Staff Presentation - Projects • Background and Prior Engagements • Proposed Reporting Requirements

Time	Topic
	• Walkthrough of Reporting Templates
2:40 - 3:30 p.m.	Technical Discussion - Projects
3:30 - 3:50 p.m.	Public Comments - Projects • Both in-person and online
3:50 - 4:00 p.m.	Next Steps
