## Cap-and-Trade Auction Proceeds Public Workshop to Discuss Funding Guidelines for Agencies Administering Greenhouse Gas Reduction Fund Programs

The Air Resources Board (ARB) staff invites you to participate in a public workshop to provide input on the draft Funding Guidelines for agencies administering the Greenhouse Gas Reduction Fund programs.

Date and Time	Workshop Location
Monday, June 22, 2015  <b>1:00 pm – 3:00 pm</b>	Byron Sher Auditorium CalEPA Headquarters Building 1001 I Street Sacramento, California 95814 Webcast: <a href="http://www.calepa.ca.gov/broadcast/">www.calepa.ca.gov/broadcast/</a>

### Purpose of Workshop:

The Greenhouse Gas Reduction Fund holds the State’s portion of auction proceeds, generated by California’s Cap-and-Trade Program. Each fiscal year, the Governor and Legislature determine which State agencies and programs will receive appropriations from this Fund, to invest in projects that reduce greenhouse gases. Greenhouse Gas Reduction Fund programs are administered by a dozen State agencies and each agency is responsible for administering its own program. To learn more about the agencies and their programs, please visit [www.arb.ca.gov/auctionproceeds](http://www.arb.ca.gov/auctionproceeds).

State law requires ARB to develop guidance for all State agencies that receive appropriations from the Greenhouse Gas Reduction Fund, including guidance on reporting, quantification methods, and maximizing benefits to disadvantaged communities. To comply with this law, ARB is developing Funding Guidelines to help these agencies use their appropriations in a way that reduces greenhouse gases, furthers the purposes of Assembly Bill 32 (AB 32, Chapter 488, Statutes of 2006), maximizes benefits to disadvantaged communities, and meets the other statutory requirements. At the workshop, ARB staff will discuss a draft version of the Funding Guidelines for public comment.

The draft Funding Guidelines will be released prior to the workshop, and will be available at: [www.arb.ca.gov/auctionproceeds](http://www.arb.ca.gov/auctionproceeds).

California Environmental Protection Agency

**Background:**

The State proceeds from the Cap-and-Trade Program (title 17, California Code of Regulations, section 95800 et seq.) provide an opportunity for California to invest in climate action, with an emphasis on our most disadvantaged communities. These investments are financing programs and projects that further the objectives of AB 32 by reducing greenhouse gas emissions in the State; delivering benefits to disadvantaged communities; and maximizing, where feasible, economic, health, and environmental co-benefits.

**Next Steps:**

Following the workshop and public comment period, ARB staff will update and release a revised draft of the Funding Guidelines. On July 23, 2015, the Air Resources Board will hear public testimony and consider approval of the Funding Guidelines.

Comments on the draft Funding Guidelines may be submitted electronically **no later than 5:00 pm, on June 29, 2015**. The comment log is available at:

[http://www.arb.ca.gov/lispub/comm2/bcsubform.php?listname=ggrf-guidelines-ws&comm\\_period=1](http://www.arb.ca.gov/lispub/comm2/bcsubform.php?listname=ggrf-guidelines-ws&comm_period=1).
