

**State of California
Air Resources Board
Board Item Summary**

Item # 22-16-4: 2022 Legislative Update

Staff Recommendation:

This is an informational item only; no Board action is necessary.

Discussion:

The California Air Resources Board (CARB) legislative staff will present an overview of air quality and climate change legislation for the second year of the 2021-2022 legislative session. CARB analyzed over 130 bills, including the Governor's transformational Climate Package as well as legislative and budget actions to support the State's transition to zero-emission technologies in the light-, medium-, and heavy-duty sectors.

Summary and Impacts:

The Legislative Update highlights major legislation relating to air quality and climate change from the 2022 legislative session.
