Notice of Postponement

Public Meeting to Consider the San Joaquin Valley PM2.5 SIP Update

By notice dated September 16, 2022, the California Air Resources Board (CARB or Board) announced it would conduct a public hearing to hear an update on implementation of the 2018 PM2.5 State Implementation Plan (SIP) for the San Joaquin Valley (Valley) and consider adopting a revision to the SIP for the 12 microgram per cubic meter ($\mu\text{g}/\text{m}^3$) annual fine particulate matter (PM2.5) standard. The hearing was scheduled for October 27, 2022 at 9:00 a.m., at the California Environmental Protection Agency, California Air Resources Board, 1001 "I" Street, Byron Sher Auditorium, Second Floor, Sacramento, California.

PLEASE BE ADVISED that CARB will not hear this item at the October 27, 2022 hearing. The hearing on this item has thus been postponed to a future date and time. A subsequent notice will follow in the future with more information, including the date, time, and location of the rescheduled hearing.

California Air Resources Board

Steven S. Cliff, Ph.D
Executive Officer

Date: October 14, 2022

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see [CARB's website](http://www.arb.ca.gov) (www.arb.ca.gov).
