# SDG&E Shuttle Bus Proposal

## SDG&E Proposal

### Green Taxi / Shuttle / Rideshare Project

- Support taxis, shuttles and rideshares (Uber, Lyft and others)
- One-year priority review project
- 5 deployments of charging stations
  - Each deployment with 1 DC fast charger and 2 Level 2 chargers
- Support high mileage vehicles such as ridesharing, taxis and shuttles
- Support vehicles with high visibility and ridership as a form of grassroots education

## California Public Utilities Commission Proposed Decision – pending final decision

### Green Shuttle Project

- Proposes to approve shuttles but deny taxis and rideshares
- Supports shuttles with fixed routes
- One-year priority review project
- 5 deployments of charging stations as requested
