

YOU'RE INVITED TO THE SEPTEMBER BOARD MEETING

Community Air Protection Program

What is AB 617?

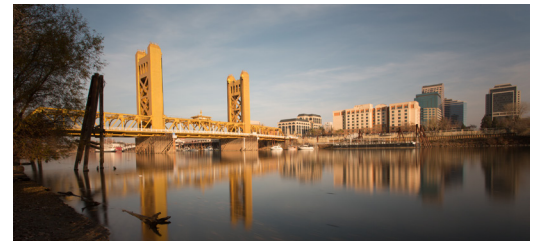

AB 617 requires new community-focused and community-driven action to reduce air pollution and improve public health in communities that experience disproportionate burdens from air pollutants.

What is happening?

The California Air Resources Board will vote on AB 617 Community Air Protection Program requirements and select first year communities for community monitoring and/or community emission reduction programs.

September 27, 2018 9:00 AM

CalEPA Headquarters | Byron Sher Auditorium
1001 I Street, Sacramento, California 95814
Submit comments by September 24th
