Form 12 Instructions

1. *Company Name* - Legal name of entity, business, organization, agency or private individual that operates equipment.
2. *Equipment Listing* - List information regarding major components of equipment. Please provide all of the following:
 - Manufacturer* - For example: Ingersol-Rand, etc.
 - Model* - May be a series of numbers or letters or combinations of numbers and letters. For example: ECM-590.
 - Serial Number* - A unique, unit specific number, usually on the equipment nameplate. The serial number is necessary to ensure that each piece of registered equipment can be uniquely identified and matched to its respective registration certificate number. Indicate if the unit is self-propelled or on tracks. Engines that power mobile, or self-propelled equipment, may not be registered in the Portable Equipment Registration Program. For information about off-road diesel vehicles look up the DOORS program.
 - Company Unit ID (Optional)* - This is your own number or name you use to identify or track the equipment.
3. *Maximum Throughput Rating* - Indicate the maximum drilling rate in feet per day.
4. *Home District Designation* - Indicate the one air pollution control or air quality management district in which this equipment will operate most of the time. A home district is required for each unit. To determine home district by location, go to:
