1001 I Street, 2<sup>nd</sup> Floor  
Klamath Training Room  
Sacramento, California 95814

**Or via conference call:**

USA Toll Free Number: 888-790-3519  
Passcode: 1407090

### **Background**

Assembly Bill (AB) 617 (C. Garcia, Chapter 136, 2017) was signed into law in July 2017. CARB established the Community Air Protection Program to implement AB 617, which requires new community-focused action to reduce air pollution and improve public health in communities that experience disproportionate burdens from exposure to air pollutants.

On September 27, 2018, the Board approved the *Community Air Protection Blueprint for Selecting Communities, Preparing Community Emissions Reduction Programs, Identifying Statewide Strategies, and Conducting Community Air Monitoring* (Blueprint), which meets statutory requirements for the statewide strategy and monitoring plan, at the September 2018 Board meeting. This Blueprint includes: processes and criteria for identifying and selecting impacted communities; statewide strategies to reduce emissions of criteria air pollutants and toxic air contaminants; and requirements for the development of community air monitoring systems and community emissions reduction programs. The Board also approved ten first-year communities for community emissions reduction programs, community air monitoring, or both. AB 617 requires the Board to conduct an annual assessment of potential communities.

### **Special Accommodation Request**

Consistent with California Government Code Section 7296.2, special accommodation or language needs may be provided for any of the following:

- An interpreter to be available at the meeting;
- Documents made available in an alternate format or another language;

March 25, 2019
