Community Selection Process

April 4, 2019

Year 2 Community Considerations

- Last year's process provides foundation
- Board's Direction:
 - Monitoring communities → emissions reduction
 - Priorities from initial recommendations
- Additional models not reflected in initial 10
- Continued support for first year communities

Year 2 Community Process

- Provide increased transparency on process
- Conducting initial outreach to guide approach
- Timeline:
 - Spring: Issue description of process/schedule
 - Fall: Air Districts submit recommendations
 - Fall: CARB conducts outreach on proposed recommendations
 - End of Year: Release final recommendations → Board Consideration
