

**APPLICATION FOR ACCREDITATION OF VERIFIERS OF LOW CARBON FUEL STANDARD
(LCFS) APPLICATIONS AND REPORTS**

ISD/PPMB-117 (NEW 09/2019) PAGE 1 OF 4

PART I: GENERAL INFORMATION

Indicate the type of accreditation you are seeking. All applicants must provide additional information as an attachment.

Select One:

- Non-Lead LCFS Verifier
- Lead LCFS Verifier for Fuel Pathways and Alternative Fuel Transactions
- Lead LCFS Verifier for Petroleum-Based Fuel Reports and Alternative Fuel Transactions
- Lead LCFS Verifier for Alternative Fuel Transactions
- Lead LCFS Verifier for Fuel Pathways, Alternative Fuel Transactions, and Petroleum-Based Fuel Reports

Accreditation to be Issued to (Verifier Name):	
Employer/Affiliation:	<input type="checkbox"/> Check Box If Not Affiliated With CARB-Accredited Verification Body
Mailing Address:	
Physical Address (If Different From Above):	
Office Phone Number:	Mobile Phone Number:
Email Address:	

PART II: VERIFIER COMPETENCY REQUIREMENTS

Documentation of Education

- Education (Diploma is attached, see section 95502(c)(1)(A))

Documentation of Experience

- Relevant Experience (Description of relevant experience is attached, see section 95502(c)(1)(B) and 95502(c)(2))

Lead Verifiers Only (Description of relevant experience is attached, see sections 95502(b)(2) and 95502(c)). **Select One (see section 95502(c)(3)):**

(A) The verifier must have participated within the previous two years as part of the verification team in at least three completed LCFS validations or verifications under the supervision of a lead verifier accredited under this subarticle by the Executive Officer.

(B) The verifier must be accredited as a lead verifier under MRR or the Cap-and-Trade Regulation by the Executive Officer.

ISD/PPMB-117 (NEW 09/2019) PAGE 2 OF 4

(C) The verifier must have experience acting as the lead on an attestation engagement services team for the U.S. EPA Renewable Fuel Standard (RFS) program within the previous two years or currently be acting as a team lead.

(D) The verifier must have experience acting as the lead on a Quality Assurance Program (QAP) services team for the U.S. EPA RFS program within the previous two years or currently be acting as a team lead.

(E) The verifier must have experience acting as a the lead on a biofuels certification audit within the previous two years or currently be acting as a lead under one of the following international certification systems: International Sustainability and Carbon Certification (ISCC), Roundtable on Sustainable Biomaterials (RSB), or Bonsucro; or

(F)* The verifier must have worked as a project manager or lead person for no less than four years, of which two may be graduate level work:

1. In the development of greenhouse gas or other air emissions inventories; or,
2. As a lead environmental data or financial auditor.

*If selecting (F) for meeting lead verifier requirements you must complete general verifier training and examination in addition to the training specific to the LCFS.

**PART III: LEAD VERIFIER EXPERIENCE
FOR VERIFICATION OF FUEL PATHWAYS (APPLICATIONS AND REPORTS (CI))**

Alternate Fuel Production Technology and Process Engineering Experience
(Documentation of experience is attached, see section 95502(c)(4))

**PART IV. LEAD VERIFIER EXPERIENCE
FOR VERIFICATION OF PETROLEUM-BASED FUEL REPORTS**

Accredited Oil & Gas Systems Specialist pursuant to Mandatory GHG Reporting Regulation (MRR) section 95131(a)(2) (No documentation required, see section 95502(c)(5))

PART V: SIGNATURE

I certify under penalty of perjury of the laws of the State of California that the foregoing is true and correct.

Signature:	Date:
-------------------	--------------

Note: The CARB Executive Officer may request additional information or documentation from an applicant or other persons or entities regarding the applicant's fitness for qualification after receipt of the application materials. If you require a special accommodation or need this information in an alternate format or language, please contact lcfverify@arb.ca.gov. TTY/TDD/Speech to Speech users may dial 711 for the California Relay Service.

INSTRUCTIONS

This accreditation application is used for prescreening candidates and accredited verifiers that wish to provide LCFS verification services. All applications must be filled out completely and the required documentation must be attached. The form should be completed on a computer, signed, scanned, and returned by email with all supporting documentation to lcfsverify@arb.ca.gov.

If you have questions regarding the completion of this form, please contact lcfsverify@arb.ca.gov for assistance. You can download this form from the CARB website at: <https://ww2.arb.ca.gov/lcfs-verification>

Within 90 days of receiving your application for accreditation, CARB will notify you in writing that your application is complete or that your application requires additional specific information to be complete. You will be notified if your accreditation is approved or if additional information is required.

Note: The CARB Executive Officer may request additional information or documentation from an applicant or other persons or entities regarding the applicant's fitness for qualification, after receipt of the application materials.

PART I: GENERAL INFORMATION

Indicate the type of accreditation you are seeking.

ADDITIONAL INFORMATION

Verifier Name: List your first and last name as it is to be listed on your Executive Order.

EMPLOYER/AFFILIATION

List the accredited verification body that employs you. If you are an independent contractor or are not employed by an accredited verification body, list your company's name and check the box stating that you are not employed by a CARB-accredited verification body. If you are an independent contractor, or employee of a subcontractor, attach the list of CARB-accredited verification bodies that you are affiliated with. Complete the remaining contact information.

PART II: VERIFIER COMPETENCY REQUIREMENTS

DOCUMENTATION OF EDUCATION

Provide a photocopy of your diploma.

DOCUMENTATION OF EXPERIENCE

Provide a resume or CV describing the required work experience. Include dates, skills, and responsibilities for each project or employment position and contact information for three references familiar with your work. Applicants for Lead Verifier must also provide evidence of experience for at least one of the specified criteria in section 95502(c)(3). Include dates, skills, and responsibilities for each verification or audit listed and contact information for the supervising lead for completed verifications or audits.

PART III: LEAD VERIFIER EXPERIENCE FOR VERIFICATION OF FUEL PATHWAYS (APPLICATIONS AND REPORTS (CI))

Provide a resume or CV describing your experience in alternative fuel production technology and process engineering.
