

El Centro – Heber – Calexico Corridor Community Meeting

The California Air Resources Board (CARB) invites you to participate in a community meeting in Imperial to discuss the El Centro-Heber-Calexico Corridor Community Emissions Reduction Program Plan (Plan), followed by a community steering committee meeting hosted by Comite Civico del Valle (CCV) and the Imperial County Air Pollution Control District (ICAPCD). You can ask questions, engage in discussions, and learn more about the Plan and the Community Air Protection Program.

November 13, 2019
5:30 – 7:30 pm

Imperial Valley College
Student Center
380 E Aten Road, Imperial, CA 92251

This meeting will be conducted in English with Spanish interpretation available.

More Information

Community Air Protection Program. This program focuses on improving public health in communities that experience disproportionate burdens from exposure to air pollutants.
