

South Central Fresno Community Meeting

The California Air Resources Board (CARB) invites you to participate in a community meeting to discuss the South Central Fresno community emissions reduction program, followed by a regular community steering committee meeting hosted by San Joaquin Valley Air Pollution Control District. At this community meeting, you can ask CARB questions, engage in discussion, and learn more about the South Central Fresno community emissions reduction program and the Community Air Protection Program.

November 13, 2019
5:30 – 7:30 pm

Vang Pao Elementary School
4100 E Heaton Ave, Fresno, CA 93702

The meeting will be conducted in English with Spanish interpretation provided.
