INFORMATION

Assembly Bill 998 (AB 998) established the Non-Toxic Dry Cleaning Incentive Program to provide financial assistance to the dry cleaning industry to switch from systems using perchloroethylene (Perc), an identified toxic air contaminant and potential human carcinogen, to non-toxic and non-smog forming alternatives. The AB998 Grant Program provides \$10,000 grants to any eligible dry cleaners in the state that is willing to transition from the use of Perc machines to alternative non-toxic and non-smog forming technologies such as water-based and Carbon Dioxide Cleaning Systems.

For more information about AB998, please contact dryclean@arb.ca.gov.
