

South Central Fresno Community Meeting

Statewide Mobile Source Strategies

NOVEMBER 13, 2019

Statewide Mobile Source Strategies Overview

Heavy Duty Trucks

Warehouses

Small Engines

Passenger Cars

Trains

Heavy Duty Trucks

- New emissions tracking program (REAL)
- Real world screening of HD truck and off-road engines
- Advanced Clean Trucks regulation
- Heavy-duty vehicle inspection and maintenance
- Heavy duty on-road and off-road engine in-use testing

Warehouses

- Freight Handbook
- Transport refrigeration unit regulations
- Drayage truck regulation amendments
- Cargo handling equipment amendment

Small Engines

- Small off-road engine standards

Passenger Cars

- Advanced Clean Cars 2
- Catalytic converter theft reduction

Trains

- Reduce idling for all rail yard sources
- Potential development of regulation to reduce emissions for locomotives
