

YOU'RE INVITED TO A SPECIAL BOARD MEETING IN WEST OAKLAND

Control Measure for Ocean-Going Vessels At Berth

The California Air Resources Board (CARB) will consider the *Control Measure for Ocean-Going Vessels At Berth*, developed by CARB staff, designed to achieve further emissions from vessels at berth to reduce adverse health impacts to communities surrounding ports and terminals throughout California.

Community Air Protection Program – AB 617

The CARB Board will consider *Owning Our Air: The West Oakland Community Action Plan*, developed by the Bay Area Air Quality Management District and the West Oakland Environmental Indicators Project to reduce exposure to air pollution in West Oakland.

December 5, 2019

10:00 AM | Control Measure for
Ocean-Going Vessels At Berth
4:00 PM | Community Air Protection Program

DeFremery Recreation Center
1651 Adeline Street | Oakland, CA 94607
