Keep in mind the vehicle information form is two pages. Both forms must have a signature. Please note that all fields are required.

If you are reporting online, DO NOT submit hard copy forms.

Information submitted by paper will be entered into the online reporting system by CARB Staff to allow users to be able to manage their fleet online. You can obtain a Certificate of Compliance immediately if you choose to report online directly and manage your fleet information without using paper forms. The login page has a User Guide with instructions on how to navigate the online reporting system. The TRUCRS reporting site can be accessed on the California Air Resources Board website at: https://ssl.arb.ca.gov/ssltrucrsto/trucrs_reporting/login.php.
