INSTRUCTIONS

This application form is for all entities wishing to provide services as a designated Asset-Controlling Supplier under the Regulation for the Mandatory Reporting of Greenhouse Gas Emissions, title 17, California Code of Regulations, section 95100, et seq. All applications must be filled out completely and the required documentation must be attached. The completed form should be sent to:

California Air Resources Board
Climate Change Reporting Section
ISD Mail Stop 6A
PO Box 2815
Sacramento, CA 95812

Alternately, the form may be completed on a computer, signed, scanned, and the completed form and all supporting documentation may be emailed to ghgreport@arb.ca.gov.

Additional information, as indicated below, must be submitted with this form.

If you have questions regarding the completion of this form, please contact ghgreport@arb.ca.gov or call 916.322.8276 for assistance. You can download this form from the CARB website at: <https://ww2.arb.ca.gov/mrr-acs>.

CARB will notify you in writing that your application is complete or that your application requires additional specific information to be complete. You will be notified if your Asset-Controlling Supplier application is approved or if additional information is required.

PART I: GENERAL INFORMATION

- Asset-Controlling Supplier designation to be issued to:** List your company name as it is to be listed on the Asset-Controlling Supplier designation.
- Type of Business:** Check the appropriate box.
- Mailing Address:** Provide the address, city, state, zip code and country.
- Street Address:** Provide the street address if different from the mailing address.
- Contact Name and Title:** Provide the name and title of your authorized contact. Your authorized contact is the person you authorized to represent your business, and should be a CARB-accredited lead verifier.
- Contact Email Address:** Provide the contact's e-mail address.
- Contact Telephone Number:** Provide the contact's day-time phone number.
- Contact Fax Number:** Provide the contact's fax number.
- Federal Employer IDN:** Provide your Federal Employer Identification Number
- Business Website:** Provide your company's web-site address.

PART II: ADDITIONAL INFORMATION

Company Officer Information: Provide a list of the officers currently employed with business or organization. Provide officer titles and an organization chart.

List of Attachments: The applicant must attach documentation for each item on the list below.

- Statement of Eligibility per Section 95102(a)(17):** Applicant shall state the basis for designation as an asset-controlling supplier.
- Data Requirements per Section 95111(b)(3):** Applicant shall commit to meet all data requirements associated with an asset-controlling supplier. For each facility and/or unit, applicant must provide the EIA Plant ID. Code of identification used by the Energy Information Administration, also known as EIA Facility Code; and the U.S. Environmental Protection Agency (EPA) Plant ID used for the US EPA GHG Mandatory Reporting Regulation (MRR).
- List and Description of Electricity Generating Facilities under ownership or control:** Applicant shall provide this information in hardcopy and electronically. The list of facilities shall be provided in an MS-Excel readable format with identifiable column field names.
