

## Appendix D: List of Survey Categories

| Survey Code | Category Name                           |
|-------------|---|
|             | <b>10100 Adhesives</b>                  |
| 10102       | Automobile Headliner Adhesive           |
| 10103       | Automotive Engine Compartment Adhesive  |
| 10109       | Flexible Vinyl Adhesive                 |
| 10112       | Laminate Repair/Edgebanding Adhesive    |
| 10113       | Mist Spray Adhesive                     |
| 10114       | Mounting Adhesive                       |
| 10116       | Polyolefin Adhesive                     |
| 10117       | Polystyrene Foam Adhesive               |
| 10119       | Screen Printing Adhesive                |
| 10125       | Web Spray Adhesive                      |
| 10199       | Other Aerosol Adhesive                  |
|             | <b>80100 General Coatings</b>           |
| 80101       | Clear Coating                           |
| 80102       | Flat Coating                            |
| 80103       | Fluorescent Coating                     |
| 80104       | Metallic Coating                        |
| 80105       | Nonflat Coating                         |
| 80106       | Primer                                  |
|             | <b>80200 Specialty Coatings (A)</b>     |
| 80201       | Auto Body Primer                        |
| 80202       | Electrical/Electronic/Conformal Coating |
| 80203       | Exact Match Finish: Automotive          |
| 80204       | Exact Match Finish: Engine              |
| 80205       | Exact Match Finish: Industrial          |
| 80206       | Flexible Coating                        |
| 80207       | Ground Traffic/Marking Coating          |
| 80208       | Mold Release Coating                    |
| 80209       | Two Component Coating                   |
| 80210       | Uniform Finish Coating                  |
|             | <b>80300 Specialty Coatings (B)</b>     |
| 80301       | Art Fixitive or Sealant                 |
| 80302       | Automotive Bumper and Trim Product      |
| 80303       | Aviation or Marine Primer               |
| 80304       | Aviation Propeller Coating              |

| <b>Survey Code</b> | <b>Category Name</b>                                 |
|--------------------|--|
| 80305              | Corrosion Resistant Brass, Bronze, or Copper Coating |
| 80306              | Floral Coating                                       |
| 80307              | Glass Coating  |
| 80308              | High Temperature Coating                             |
| 80309              | Hobby/Model/Craft Coating                            |
| 80310              | Marine Spar Varnish                                  |
| 80311              | Photograph Coating                                   |
| 80312              | Pleasure Craft Finish Primer/Surfacer/Undercoater    |
| 80313              | Pleasure Craft Topcoat                               |
| 80314              | Polyolefin Adhesion Promoter                         |
| 80315              | Rust Converter                                       |
| 80316              | Shellac Sealer                                       |
| 80317              | Slip-resistant/Non-slip Grip Coating                 |
| 80318              | Splatter/Multicolor/Stucco Coating                   |
| 80319              | Vinyl/Fabric/Leather/Plastic Coating                 |
| 80320              | Webbing/Veiling Coating                              |
| 80321              | Weld-Through Primer                                  |
| 80322              | Wood Stain Coating                                   |
| 80323              | Wood Touch-Up/Repair/Restoration Coating             |
| 80324              | Custom Fill Aerosols (coating not included)          |
| 80399              | Other Aerosol Coating Product                        |
