Where applicable, the Grantee agrees to acknowledge the California Climate Investments program and CARB as a funding source for the Capture and Control for Oil Tankers Project, as outlined in the California Climate Investments Messaging and Communications Guide¹. Below are specific requirements for acknowledgement.

The California Climate Investments (CCI) logo and name serves to bring under a single brand the many investments whose funding comes from the Greenhouse Gas Reduction Fund (GGRF). The logo represents a consolidated and coordinated initiative by the State to address climate change by reducing greenhouse gases, while also investing in disadvantaged communities and achieving many other co-benefits. The Grantee agrees to acknowledge the California Climate Investments program as a funding source from CARB’s Low Carbon Transportation program whenever projects funded, in whole or in part by this Agreement, are publicized in any news media, websites, brochures, publications, audiovisuals, or other types of promotional material. The acknowledgement must read as follows: “This Advanced Technology Demonstration and Pilot project (name of project) was supported by the “California Climate Investments” (CCI) program.” Guidelines for the usage of the CCI logo can be found at:

http://www.caclimateinvestments.ca.gov/logo-graphics-request

CARB logos shall be provided to the Grantee by CARB Project Liaison.

¹ CCI Communications Guide http://www.caclimateinvestments.ca.gov/logo-graphics-request
The CARB logo is a visual representation of our air environment. The arcs represent: the different elements that make up the air we breathe, the protection of our atmosphere and the efforts we take to protect the health of Californians, the collaboration of multiple stakeholders all moving in the same direction together, and innovation with the arcs all growing and changing. Finally, when preparing flyers, brochures, or other handout material that will be used to promote Capture and Control for Oil Tankers Project as one of CARB’s Low Carbon Transportation Investment projects, the Grantee will incorporate the Moving California typeset and branding, as appropriate. Moving California is the branding of CARB’s suite of Low Carbon Investment projects, including both light- and heavy-duty projects. The Moving California typeset is displayed below and branding materials will be provided by the CARB Project Liaison.
