

# GO-Biz initiatives and goals contributing to the ZEHTRANS vision and mission

## ZEHTRANS

### Vision

Competitive and equitable zero-emission rail in California

### Mission

Work in partnership across government, communities, and industry to transition to a zero-emission rail system supportive of a sustainable, carbon neutral economy.

Air Resources Board

Department of Transportation

Energy Commission

GO-Biz

***Support market growth of ZEV ecosystem***

***Connect ZE rail with larger CA ZEV goals and ZEV Market Development Strategy***

***Advocate for competitiveness and equity of freight/transportation sectors***

# GO-Biz Role

- ▶ Alignment with larger CA ZEV Goals
  - ▶ Ensure Zero-Emissions for All
  - ▶ Co-location of ZEV infrastructure
  - ▶ Integrating ZE rail planning in ZEV Market Development Strategy
- ▶ Provides incentive navigation and site selection services for businesses looking to develop ZE rail projects
- ▶ Permitting support with ZEV infrastructure
- ▶ GO-Biz/OPR co-host state interagency freight working group
  - ▶ Increased competitiveness and sustainability of freight sector
