BACKGROUND

To meet the requirements of AB 423, CARB will evaluate the SDAPCD programs put in place to protect public health, and look for areas of potential improvement by the district. This meeting is the first public meeting on this topic. In this meeting, our goal

is to explain our proposed work plan for reviewing SDAPCD's program and gather public input on our plan. For more information please visit our [website](#).

SPECIAL ACCOMMODATION REQUEST

If you require special accommodation for the meeting, or need this document or any of the posted documents in an alternate format (e.g. Braille, large print), or another language, please contact [Ms. Courtney Andrews](#), Air Pollution Specialist, via email or by telephone at (916) 229-0330 as soon as possible, but no later than 5 business days before the meeting. TTY/TDD/Speech to Speech users may dial 711 for the California Relay Service.
