

## **ADDENDUM TO PROPOSED FUNDING PLAN**

---

### *Update to Reflect December 10, 2020 Board Action*

On December 10, 2020, the California Air Resources Board (CARB or Board) approved the proposed Fiscal Year 2020-21 Funding Plan for Clean Transportation Incentives (Funding Plan) with one modification to the proposed Funding Plan released to the public on November 6, 2020. The modification is as follows:

Public Electric Vehicle Charging Cards in Clean Cars 4 All: In response to stakeholder comments, the Board directed that the Clean Cars 4 All project criteria be revised to allow applicants to receive a pre-loaded public electric vehicle charge card in lieu of the existing home charger incentive.
