#### AGENDA

- |                       |                                                                                                                                                                                                                                                             |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1:00 p.m. – 1:10 p.m. | Introduction and Low Carbon Transportation Overview                                                                                                                                                                                                         |
| 1:10 p.m. – 1:20 p.m. | Funding Plan Outreach and Community Engagement Approach                                                                                                                                                                                                     |
| 1:20 p.m. – 1:40 p.m. | Senate Bill 350 Low Income Barriers Report Recommendations Implementation and Outreach Updates                                                                                                                                                              |
| 1:40 p.m. – 2:10 p.m. | Preliminary Fiscal Year 2020-21 and 2021-22 Clean Transportation Equity Project Allocations ( <i>page 2</i> )                                                                                                                                               |
| 2:10 p.m. – 3:00 p.m. | Clean Transportation Equity Project Updates: <ul style="list-style-type: none"><li>a) Clean Mobility Options projects</li><li>b) Sustainable Transportation Equity Project</li><li>c) Clean Mobility in Schools</li><li>d) Rural School Bus Pilot</li></ul> |
| 3:00 p.m. – 3:30 p.m. | Questions and Next Steps                                                                                                                                                                                                                                    |

All times are approximate—if a topic concludes early we will proceed with the next item

## Preliminary Clean Transportation Equity Project Allocations

The Governor’s Fiscal Year 2021-22 Budget proposal includes \$465 million for Low Carbon Transportation Investments using Cap-and-Trade auction proceeds from 2020-21 and 2021-22 budget years, with a total of \$150 million for clean transportation equity projects. Below is staff’s preliminary thinking for clean transportation equity project allocations to allow for comment and discussion.

Project Category	Allocations to Date*	Preliminary Fiscal Year 2020-21 and FY 2021-22 Allocations (Millions)
	(Millions) FY 2013-14 through FY 2020-21	
Clean Cars 4 All	\$115	\$57 - \$72
Financing Assistance for Lower-Income Consumers	\$44	\$35 - \$50
Clean Mobility Options	\$55.4	\$15 - \$25
Clean Mobility in Schools	\$25	\$15 - \$25
Agricultural Worker Vanpools	\$6	\$0
Rural School Bus Pilot	\$61.6	\$20 - \$30
Sustainable Transportation Equity Project	\$19.5	\$43 - \$47
Access Clean California, Technical Assistance, and Capacity Building	\$11	\$5 - \$7
Workforce Training and Development	\$0	\$0 - \$2
<b>TOTAL</b>	<b>\$337.5</b>	<b>\$190 - \$258</b>

\*Funding shown here includes Low Carbon Transportation Allocations, Air Quality Improvement Program (AQIP) allocations, and Volkswagen settlement Funds. Clean Cars 4 All received \$3 million from AQIP (FY 2019-20) and \$10 million from the Volkswagen settlement funds (FY 2017-18). Financing Assistance for Lower-Income Consumers received \$10 million from the Volkswagen settlement funds, and Access Clean California also received \$5 million from the Volkswagen settlement funds.

## Upcoming Funding Plan Meetings

- April 13, 2021 – Innovative Small e-Fleets Project Work Group
- Late April - Early May 2021 – Additional Equity Work Groups (TBD)
- June 23, 2021 – Final Funding Plan Workshop
- October 2021 – Board Consideration of Proposed Funding Plan

Please monitor CARB’s [Low Carbon Transportation Investments and AQIP Meetings and Workshops](#) page for more information on upcoming meetings.
