

Natural and Working Lands

Climate Smart Strategy

NATURE-BASED CLIMATE SOLUTIONS

EXECUTIVE ORDER N-82-20

WHAT ARE NATURE-BASED SOLUTIONS?

Nature-Based Solutions are actions that work with and enhance nature to help address societal challenges. This recognizes that healthy ecosystems provide benefits on which human wellbeing depends.

BENEFITS OF NWL

Climate Action for Transportation Infrastructure

And many more...

A landscape of rolling hills and mountains, rendered in shades of blue and green. The foreground shows dark, textured hillsides. In the background, more distant and hazy mountain ranges are visible. Overlaid on the right side of the image is a white topographic map with contour lines, showing the same terrain's elevation. The text "THANK YOU!" is written in white, bold, sans-serif capital letters on the left side of the image.

THANK YOU!
