INSTRUCTIONS AND DEFINITIONS

Submit the completed form by email to DOORS@arb.ca.gov, by fax to (916) 322-3923, or by mail to California Air Resources Board, Attention: Off-Road Diesel Reporting, MSCD, Mail Stop 5B P.O. Box 2815, Sacramento, CA 95812.

When a fleet/fleet portion is acquired, you have the option of choosing how the acquired fleet/fleet portion is incorporated into your existing fleet. For more information on fleet portions and transfer credits, see the Transfer of Ownership FAQ at:

<http://www.arb.ca.gov/msprog/ordiesel/faq/transferownershipfaq.pdf>

If the acquired fleet was not in compliance with the Off-Road Regulation at the time of acquisition, all of the vehicles acquired must meet the adding vehicle requirements, which are explained in the Frequently Asked Questions (FAQs) on Adding Vehicles at:

<http://www.arb.ca.gov/msprog/ordiesel/faq/addingvehicles.pdf>.

OPTION 1: Keep the acquired fleet/fleet portion under its current DOORS Fleet ID Number and have it assigned a new username and password. This means you will have a separate username and password for the newly acquired fleet. The acquired fleet/fleet portion will be identified as a child fleet for the DOORS fleet ID identified in part 1 above. Note that if you choose this option, credits previously earned by the acquired fleet/fleet portion will be retained.

OPTION 2: Keep the acquired fleet/fleet portion under its current DOORS Fleet ID Number and have it assigned to your current username and password. This means that when you sign into your DOORS account under your current username and password, you will see the newly acquired fleet in addition to your current fleet(s). The acquired fleet/fleet portion will be identified as a child fleet for the DOORS fleet ID identified in part 1 above. Note that if you choose this option, credits previously earned by the acquired fleet will be retained.

OPTION 3: Combine the vehicles of the acquired fleet with the vehicles you already own (i.e., the acquired fleet will no longer have its own DOORS fleet ID number, and will instead have its vehicles incorporated with those you already own). Note that if you choose this option, most credits previously earned by the acquired fleet will not transfer over to your fleet (only credits earned for repowers and retrofits will transfer).
