

**State of California  
AIR RESOURCES BOARD**

**EXECUTIVE ORDER RM-21-002**

**Spark-Ignition Marine Watercraft Evaporative Emissions System Components**

**Honda Motor Co., Ltd.  
Carbon Canister**

WHEREAS, pursuant to California Health and Safety Code, sections 39600, 39601, and 43013, the California Air Resources Board (CARB) has established a certification process for evaporative emissions system components designed to control gasoline emissions from spark-ignition marine watercraft (SIMW), as described in California Code of Regulations, title 13, section 2856;

WHEREAS, pursuant to California Health and Safety Code, section 43013, CARB has established criteria and test procedures for determining the compliance of evaporative emissions system components with the design requirements in Cal. Code Regs., title 13, section 2854;

WHEREAS, pursuant to Cal. Code Regs., title 13, section 2856, CARB's Executive Officer may issue an executive order (EO) if he or she determines that SIMW evaporative emissions system components conform to the applicable performance requirements set forth in Cal. Code Regs., title 13, section 2854; and

WHEREAS, pursuant to California Health and Safety Code, sections 39515 and 39516, CARB Executive Officer issued EO G-19-095 delegating to the Chief of CARB's Emissions Certification and Compliance Division (ECCD) the authority to certify SIMW evaporative system components.

NOW, THEREFORE, I, Allen Lyons, Chief of ECCD, finds that the Honda Motor Co., Ltd. carbon canister representative model, HNX-M1B, conforms with the carbon canister performance requirements set forth in Cal. Code Regs., title 13, section 2854 and 40 CFR 1060.240(e)(2).

IT IS ORDERED AND RESOLVED that the Honda Motor Co., Ltd. carbon canister model listed in Table 1 are certified for use in SIMW with less than 30 kW engines introduced into commerce in California.

Table 1

Honda Motor Co., Ltd. Carbon Canisters			
Component Type Model Number	Canister Working Capacity (Grams/Gal)	Carbon Working Capacity (Grams/Liters)	Maximum Tank Volume (L)
HNX-M1B	5.1	91.8	1.1

IT IS FURTHER ORDERED that Honda Motor Co., Ltd. shall provide a warranty to watercraft manufacturers purchasing any of the Honda Motor Co., Ltd. carbon canister model listed in Table 1. The warranty must conform to the requirements of Cal. Code Regs., title 13, section 2861.

IT IS FURTHER ORDERED that the certified Honda Motor Co., Ltd. carbon canister model listed in Table 1 shall be installed in accordance with the manufacturer's installation and use instructions for the Honda Motor Co., Ltd. carbon canister models. A copy of this EO and carbon canister installation and use instructions shall be provided to original watercraft manufacturers purchasing Honda Motor Co., Ltd. carbon canister model listed in Table 1 for installation on spark-ignition marine engines and watercraft introduced into commerce in California.

IT IS FURTHER ORDERED that the Honda Motor Co., Ltd. carbon canister model listed in Table 1 and introduced into commerce in California shall be clearly identified by a permanent identification of HNX-M1B.

IT IS FURTHER ORDERED that any alteration to the Honda Motor Co., Ltd. carbon canister model listed in Table 1 and certified hereby is prohibited. Any alteration or modification of the designs approved by this EO will require the manufacturer to apply for a new EO.

IT IS FURTHER ORDERED that the Honda Motor Co., Ltd. carbon canister model listed in Table 1 shall be compatible with fuels in common use in California at the time of certification, and any modifications to comply with future California fuel requirements shall be approved in writing by the Executive Officer or Executive Officer's delegate.

IT IS FURTHER ORDERED that the component certification of the Honda Motor Co., Ltd. carbon canister model listed in Table 1 can be referenced in certification applications for watercraft that use spark-ignition marine engines with less than 30 kiloWatts unless the Executive Officer finds that the Honda Motor Co., Ltd. carbon canister model listed in Table 1 no longer meet the performance requirements set forth in Cal. Code Regs., title 13, section 2854, when tested pursuant to Cal. Code Regs., title 13, section 2864.

Executed this 19<sup>th</sup> day of October 2021.

Allen Lyons, Chief  
Emissions Certification and Compliance Division
