

**Fiscal Year 2021-2022 Low Carbon Investments
Grant Solicitation**

Electric Bicycle Incentives Project (EBIP)

List of Applications Received

May 17, 2022

Project Summary: The California Air Resources Board (CARB or the Board) completed a solicitation for a Grantee to implement and administer the Electric Bicycle Incentives Project (EBIP) for Fiscal Year (FY) 2021-22 with an option to renew for a new Grant Agreement for each of the following two years for FY 2022-23 and FY 2023-24. On November 19, 2021, the Board approved the \$10 million allocation to EBIP for FY 2021-22. EBIP is intended to encourage adoption for low-income individuals of electric bicycles as a replacement for motor vehicle trips.

The EBIP solicitation was open for applications April 4, 2022 through May 11, 2022. Materials are available for reference online at <https://ww2.arb.ca.gov/our-work/programs/low-carbon-transportation-investments-and-air-quality-improvement-program/low>.

CARB received three applications. Applicant information listed below is in alphabetical order.

Applicant Name	Partner(s)	Requested Amount for Project Administration	Total Grant Request
Center for Sustainable Energy	N/A	\$499,988	\$2,499,942
GRID Alternatives	Ecology Action	\$2,500,000	\$10,000,000
Rider Safety Visibility	N/A	\$2,473,762.50	\$10,000,000
