SUBJECT: Annual Report for Grant Agreement G19-CAPP-19

Dear Ms. Juarez:

The Monterey Bay Air Resources District (MBARD) is writing to provide the annual report for grant agreement G19-CAPP-19. Due to the short timeline between submission of our annual report for grant agreement G18-CAPP-19 on March 23, 2021 and this report, MBARD is submitting the annual report in a letter format.

MBARD has continued the following activities:

- Participation in BACT/BARCT workgroup
- Initiated the next BARCT rule development to review Rule 427 Steam Driven Crude Oil Production Wells

MBARD will continue activities such as participating in the BACT/BARCT workgroup meetings, implementing our expedited BARCT schedule, and improving community participation such as through providing information on our website and our advertisements in Spanish.

Please let me know if you have questions, I can be reached at [aclymo@mbard.org](mailto:aclymo@mbard.org).

Sincerely,

Amy Clymo  
Engineering and Compliance Manager
