 - Summer workshop
- EJAC committee meetings scheduled to prepare final EJAC recommendations:
 - July 25th – 26th
 - August 22nd – 23rd

2022 Scoping Plan Development Schedule

- Scoping Plan Community Listening Sessions scheduled for July 2022 – August 2022
- Virtual session in early July
- In person regional Community Listening Sessions:
 - Los Angeles (Location TBD)
 - San Joaquin Valley (Location TBD)
 - Bay Area (Location TBD)

2022 Scoping Plan Development Schedule

- Joint CARB / EJAC Meeting to walk through and discuss EJAC final recommendations
 - September 1st, 2022
- Publish final Scoping Plan in Fall 2022
- Return to Board for a vote to adopt Scoping Plan before the end of 2022

EJAC Process Update

- As noted previously, there is no budget allocation for the EJAC in the proposed 2022 – 2023 Budget.
- CARB will be working internally to identify ways to continue to support the EJAC so it can fulfill its statutory role.
 - CARB anticipates sharing additional information this summer.

EJAC Requests to CARB

- CARB received request to translate Draft Scoping Plan into Spanish and Chinese.
 - CARB staff has completed the language services request form and submitted the request to CARB's Bilingual Services Coordinator.

EJAC Requests to CARB

- Cross Agency response to address pesticides at the April 2022 EJAC meeting
 - OEJ staff is currently finalizing the responses across multiple agencies and will share this with the EJAC by July 2022
- EJAC Questions to CARB at the May 2022 EJAC meeting
 - CARB is preparing a response and will share written responses this summer 2022
