

SETTLEMENT AGREEMENT

This Settlement Agreement is entered into between the California Air Resources Board (CARB), with its principal location at 1001 I Street, Sacramento, California 95814; and Pyramid Construction and Aggregates, Inc. (Pyramid Construction), with its principal location at 839 Dogwood Road, Heber, California 92249 (collectively, the "Parties," or individually, "Party").

LEGAL BACKGROUND

- (1) **Purpose.** The California Health and Safety Code mandates the reduction of the emission of toxic air contaminants (TAC). CARB has determined that particulate matter (PM) from diesel-fueled engines is a TAC. (Health & Saf. Code §§ 39002, et seq., 39650-39675.) In-use on-road diesel vehicles are powered by diesel fueled engines that emit toxic PM.
- (2) **Regulation.** CARB adopted the *Regulation to Reduce Emissions of Diesel Particulate Matter, Oxides of Nitrogen and Other Criteria Pollutants, from In-Use Heavy-Duty Diesel-Fueled Vehicles* (Truck and Bus Regulation) to reduce diesel PM and criteria pollutant emissions from on-road heavy-duty diesel-fueled vehicles. (Cal. Code Regs., tit.13, § 2025.)
- (3) **Regulatory Provisions.** Any person, business, federal government agency, school district or school transportation provider, or broker, that owns, operates, leases, rents or sells vehicles in California that operate on diesel-fuel, dual-fuel, or alternative diesel-fuel, that are registered to be driven on public highways, were originally designed to be driven on public highways whether or not they are registered, yard trucks with on-road engines or yard trucks with off-road engines used for agricultural operations, both engines of two-engine sweepers, school buses, and have a manufacturer's gross vehicle weight rating (GVWR) greater than 14,000 pounds with 2004 to 2006 model year engines must comply with the schedule to upgrade the engine(s), by January 1, 2021 (Cal. Code Regs., tit. 13, § 2025).
- (4) **Penalty Provisions.** Failure to comply with the regulatory requirements is a violation of state law that may result in penalties up to ten thousand dollars (\$10,000.00 USD) for strict liability violations; respectively, for each day in which the violation occurs. (Cal. Code Regs., tit.13, § 2025; Health & Saf. Code §§ 39674, 39675, 42400 et seq., 42402 et seq., and 42410.)

CASE BACKGROUND

- (5) **Corporate Entity.** At all relevant times, Pyramid Construction was organized under the laws of the State of California as a corporation and conducted business in the State of California.

- (6) Allegations. This Settlement Agreement resolves Notice of Violation (NOV) Number 00564, which was issued on June 30, 2022. CARB alleges Pyramid Construction violated the Truck and Bus Regulation by failing to comply with the compliance schedule (Cal. Code Regs., tit. 13, § 2025(f)), resulting in three violations, as outlined in NOV # 00564. CARB alleges that if paragraphs 1 through 6 were proven, civil penalties could be imposed against Pyramid Construction for each and every vehicle involved in the violations and each day.
- (7) Acknowledgment. Pyramid Construction admits to the facts in paragraphs 1 through 5. Pyramid Construction admits that it received an NOV on June 30, 2022, and acknowledges the allegations set forth in paragraph (6) but denies any liability resulting from said allegations.
- (8) Consideration. In consideration of the foregoing, and of the promises and facts set forth herein, the Parties desire to settle and resolve all claims, disputes, and obligations relating to the above-listed alleged violations and voluntarily agree to resolve this matter by means of this Settlement Agreement. In order to resolve the violations described herein, Pyramid Construction has taken, or agrees to take, the actions enumerated below within the Terms and Conditions. Further, CARB accepts this Settlement Agreement in termination and full settlement of this matter.

TERMS AND CONDITIONS

In consideration of CARB not filing a legal action against Pyramid Construction for the alleged violations referred to above in the Legal Background and Case Background, and Pyramid Construction's agreement to complete all terms and conditions set forth below, CARB and Pyramid Construction agree as follows:

- (9) Settlement Amount. Pyramid Construction shall pay a civil penalty of nine thousand dollars (\$9,000.00 USD). Pyramid Construction shall make all payments within 30 calendar days from the date CARB notifies Pyramid Construction of the full execution of the Settlement Agreement.
- (10) Civil Penalty Payment Method. Pyramid Construction shall pay the civil penalty by check, credit card, wire transfer, or portal, payable to CARB, using instructions provided separately by CARB in a Payment Transmittal Form. Pyramid Construction is responsible for all payment processing fees. Payments shall be accompanied by the Payment Transmittal Form to ensure proper application. CARB shall deposit the civil penalty amount into the Air Pollution Control Fund for the purpose of carrying out CARB's duties and functions to ensure the integrity of its air pollution control programs. Should payment instructions change, CARB will provide notice to Pyramid Construction in accordance with Paragraph 12 (Notices).

- (11) Documents. Pyramid Construction shall promptly email or mail the signed and dated Settlement Agreement, with copy of proof of payment of the penalty, and a copy of the Payment Transmittal Form to the address or email in Paragraph 12 (Notices).

- (17) Effective Date. The effective date shall be the date upon which this Settlement Agreement is fully executed.

- (22) Rules of Construction. Any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not be applied in interpreting this Settlement Agreement.
- (23) Non-Waiver. The failure to enforce any provision of this Settlement Agreement shall not be construed as a waiver of any such provision, nor prevent such Party thereafter from enforcing such provision or any other provision of this Settlement Agreement. The rights and remedies granted all Parties herein are cumulative and the election of one right or remedy by a Party shall not constitute a waiver of such Party's right to assert all other legal remedies available under this Settlement Agreement or otherwise provided by law.
- (24) Intent to be Bound. The Parties represent that: They have participated fully in the review and drafting of this Settlement Agreement; understand and accept all terms; enter into this Settlement Agreement freely and voluntarily; have had an opportunity to consult with legal counsel; are fully informed of the terms and effect of this Settlement Agreement; have agreed to this Settlement Agreement after

independent investigation and agree it was not arrived at through fraud, duress, or undue influence; and knowingly and voluntarily intend to be legally bound by this Settlement Agreement.

- (25) Venue. The Superior Court of California, located in the County of Sacramento, shall hear any dispute between the Parties arising from this Settlement Agreement.
- (26) Counterparts and Electronic Signatures. This Settlement Agreement may be executed in counterparts. Electronic, facsimile or photocopied signatures shall be considered as valid signatures.
- (27) Release. In consideration of full payment of the civil penalty, and all other undertakings above, CARB hereby releases Pyramid Construction and its principals, officers, receivers, trustees, successors and assignees, subsidiary and parent corporations, from any claims CARB may have based on the circumstances described in all paragraphs contained in the Case Background above.
- (28) Authority. The undersigned represents that he or she has full authority to enter into this Settlement Agreement.

PENALTY BASIS

- (29) Per Unit Penalty. The per unit or per vehicle penalty in this case is a maximum of ten thousand dollars (\$10,000.00 USD) per day under Health and Safety Code section 39674, for violations of the Truck and Bus Regulation. (Cal. Code Regs., tit.13, § 2025.) The penalty of \$9,000.00 over an unspecified number of days of violation is for three noncompliant vehicles(s) with a 2004-2006 model year engine(s) and a GVWR of greater than 14,000 pounds and less than 26,000 pounds. The per unit penalty in this case is \$3,000.00 per noncompliant vehicle.
- (30) Emissions. The provisions cited above do prohibit emissions above a specified level. Without information on engine usage and emission rates, it is not practicable to quantify the excess emissions. However, since CARB has alleged that the vehicles(s) did not meet the regulatory requirements, all of the emissions from it were excess and illegal.
- (31) Aggravating and Mitigating Factors. The penalties in this matter were determined in consideration of all relevant circumstances, including statutory factors as described by CARB's Enforcement Policy. CARB considered whether the violator came into compliance quickly and cooperated with the investigation; the extent of harm to public health, safety and welfare; nature and persistence of the violation, including the magnitude of the excess emissions; compliance history; preventative efforts taken; innovative nature and the magnitude of the effort required to comply, and the accuracy, reproducibility, and repeatability of the available test methods; efforts to attain, or provide for, compliance prior to violation; action taken to mitigate the violation; financial burden to the violator; and voluntary

disclosure. The penalties are set at levels sufficient to deter violations, to remove any economic benefit or unfair advantage from noncompliance, to obtain swift compliance, and the potential costs, risks, and uncertainty associated with litigation. Penalties in future cases might be smaller or larger depending on the unique circumstances of the case.

(32) Confidential Business Information. CARB may have based this penalty in part on confidential business information provided by Pyramid Construction or confidential settlement communications.

(33) Effect of Settlement/Reservation of Rights. The following shall apply:

(a) This Settlement Agreement resolves the civil claims of CARB for the violations alleged in this Settlement Agreement.

(b) CARB reserves, and this Settlement Agreement is without prejudice to, all claims, rights, and remedies against Pyramid Construction with respect to all matters not expressly resolved in this Settlement Agreement.

Notwithstanding any other provision of the Settlement Agreement, CARB reserves all claims, rights, and remedies, whether in law or equity, against Pyramid Construction with respect to:

(i) Noncompliance with or enforcement of any provision of this Settlement Agreement.

(ii) Facts that were not disclosed by Pyramid Construction to CARB.

(iii) Violation of the California Health and Safety Code and its implementing regulations, or other State laws, regulations, or permit condition(s) not expressly resolved in this Settlement Agreement.

(iv) Any imminent and substantial endangerment to the public health, welfare, or the environment in California, whether related to the violations addressed in this Settlement Agreement or otherwise.

(v) Any criminal liability.

(vi) Any claim(s) of any officer or agency of the United States or California, other than CARB.

(c) In any subsequent administrative or judicial proceeding initiated by CARB for injunctive relief, civil penalties, or other appropriate relief relating to enforcement of the Settlement Agreement, Pyramid Construction shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim preclusion, claim-splitting, or other defenses based upon any contention that the claims

raised by CARB in the subsequent proceeding were or should have been brought in the instant case.

- (d) This Settlement Agreement does not limit or affect the rights of Pyramid Construction or of CARB against any third parties not covered by this Settlement Agreement, nor does it limit the rights of third parties not covered by this Settlement Agreement against Pyramid Construction, except as otherwise provided by law. This Settlement Agreement shall not be construed to create rights in, or grant any cause of action to, any third party not covered by this Settlement Agreement.
- (e) This Settlement Agreement is not a permit, or a modification of any permit, under any federal, State, or local laws or regulations. Pyramid Construction is responsible for achieving and maintaining compliance with all applicable federal, State, and local laws, regulations, and permits; Pyramid Construction's compliance with this Settlement Agreement shall not be a defense to any action commenced pursuant to any such laws, regulations, or permits. CARB does not, by its execution of this Settlement Agreement, warrant or aver in any manner that Pyramid Construction's compliance with any aspect of this Settlement Agreement will result in compliance with any provisions of federal, State, or local laws, regulations, or permits.
