REASON FOR DELAY (check all that apply):

- Compliance equipment has been ordered, but has not been received:** If this reason is checked, you must attach a copy of the purchase order that includes the date that the order was placed and a statement by the supplier that provides the original estimated delivery date and the delivery schedule updated within the last 30 days.
- Compliance equipment has been ordered and received, but not installed:** If this reason is checked, you must attach a copy of the purchase order that includes the date the order was placed and the date the equipment was (or will be) received. You must also attach a statement by the installer that provides the original estimated installation date and the installation schedule updated within the last 30 days.
- Financial institution has not completed processing the financing application:** This is not a valid reason for delay if financing has been denied. If this reason has been checked, you must attach a statement by the financial institution that explains the reason for the delayed processing and an estimate of the date that processing will be completed.
