# Moyer Lawn and Garden Posted Materials

- Today's presentation and the proposed Carl Moyer Lawn and Garden Chapter Updates can be found here:
  - [Carl Moyer Memorial Air Quality Standards Attainment Program Meetings & Workshops | California Air Resources Board](#)

# Overview

- In 2021, the Board approved Small Off-Road Engine (SORE) regulation amendment which requires manufacturers to produce zero-emission (ZE) equipment.
  - 2024 for most SORE-powered equipment.
  - 2028 for generators.
- To further support the transition to ZE, Moyer State Reserve fiscal year 21-22 \$24.7M will be dedicated to lawn and garden equipment.

# Moyer Lawn and Garden Program Background

- The Carl Moyer Program has funded the replacement of SORE-powered equipment since 2011.
- Current program funds residential ZE lawn mowers only.
- Current funding level is \$145.

# Proposed Chapter Updates

  - Add commercial applicants
- Equipment Eligibility
  - Add more equipment types
- Funding Amounts
  - Increasing funding amounts
- Co-funding

# Applicant Eligibility

- Propose expanding the focus of this chapter beyond residential lawn and garden needs.
- Requires separate eligibility requirements
  - Residential – California residence
  - Commercial –
    - Own and operate equipment in California, and
    - Business license, employer identification number, personal or business tax identification number

# Equipment Eligibility

- All horsepower combustion lawn and garden equipment eligible for replacement.
- Replacements must serve the same purpose and be new, cordless, and ZE electric lawn and garden equipment.
- Eligible categories include the following:
  - Chainsaws, trimmers, edgers, brushcutters
  - Leaf blowers and vacuums
  - Walk behind mowers
  - Ride-on or stand/sit mowers

# Maximum Funding Amounts

Equipment	Residential Grant Amount	Commercial Grant Amount
Chainsaws/trimmers/edgers/brushcutters	\$300	\$700
