Designation Categories: A = Attainment
 N = Nonattainment
 T = Nonattainment-Transitional
 U = Unclassified

These designations reflect the year in which the area designation was made, generally based on data from the previous three-year period.

- * State area designations were not changed in this year and no Staff Report was submitted.
- ** State area designations changed only by operation of law and no Staff Report was submitted.

In June 2002, the ARB adopted a new State standard for PM2.5. The ARB first designated areas for PM2.5 in 2003.

- (1) California Code of Regulations, title 17, section 60200(b).
- (2) California Code of Regulations, title 17, section 60200(c).
- (3) California Code of Regulations, title 17, section 60200(a).

There is one State standard for PM2.5, an annual arithmetic mean of 12 micrograms per cubic meter, not to be exceeded.
 There is no separate State 24-hour standard.
