- Notify all involved parties including the air district and CARB of any intent to change ownership or registration status during the 36-month voucher term and understand that as a result, I risk pay back of all or a portion of incentive funds as determined by the district or CARB.
- Notify the air district and CARB if the replacement vehicle is in an accident or needs to be substituted with a similar vehicle.
- Pay back all incentive funds if one or more of the terms of the VIP, including the terms of this voucher are not met.
- I understand, acknowledge and agree that compliance with all applicable federal, state and local air quality rules, regulations and statutes (including the VIP Guidelines) is a precondition to the award and distribution of VIP funds and a continuing obligation for the consecutive three (3) years following issuance of said VIP funds (including receipt of voucher) on a continuous rolling basis.
- I understand that an incomplete, inaccurate, fraudulent or false submission of information or documentation may result in my VIP disqualification and/or, upon demand, a return of the voucher and/or VIP funds.
- I warrant, represent and agree to cooperate, without delay, in all audits, inquiries and investigations initiated by or on behalf of the state of California or an air district concerning or relating to compliance with the Voucher Incentive Program, including but not limited timely submission of any and all records requested and cooperation with any on-site inspections;
- I certify, represent and warrant that I am authorized and have the full power and legal authority to sign the application and this voucher receipt, that I am bound to and will comply with the VIP terms, conditions and obligations and that, to the extent I am signing on behalf of any other person or entity, then said person or entity is also so bound to and will comply with the VIP terms, conditions and obligations.
- CARB, as an intended third-party beneficiary, reserves the right to enforce the terms of the VIP at any time during the three-year voucher term to ensure emission reductions are obtained.
- All terms and conditions of the Application remain in effect.
