

**Fiscal Year 2021-2022 Grant Solicitation
Advanced Technology Demonstration and Pilot
Projects: Third-Party Administrator**

List of Applications Received

February 21, 2022

Project Summary: The California Air Resources Board (CARB) released a solicitation for a Grantee to implement the Advanced Technology Demonstration and Pilot Project (ATDPP) for Fiscal Year (FY) 2021-22 with an option to renew for a new Grant Agreement for each of the following two years. On November 19, 2021, CARB approved \$40 million for this program to accelerate the advancement of innovative and economically viable technologies into the commercial marketplace while also supporting the State’s equity and emission reduction goals. Up to 10 percent of total funding may be used to support a third-party administrator.

The solicitation was open for applications October 3, 2022, through December 16, 2022. CARB received three applications that are listed below in alphabetical order.

Applicant	Proposed Project Implementation Funding
CALSTART	\$3,888,897
Electric Power Research Institute (EPRI)	\$4,000,000
Institute Of Gas Technology (GTI Energy)	\$3,978,958
