From the Drop-down Menu, select your Air District:

Section 1: Introduction and Background

The Community Air Protection (CAP) incentives Air District Mid-Cycle Report Certification Form is due to the California Air Resources Board (CARB) by **May 31, 2023**. Air districts will use this Mid-Cycle Report Certification Form to certify that the reported information on CAP incentives is accurate and complete.

Air districts participating in CAP incentives must conform to the reporting requirements described in the *Community Air Protection Incentives 2019 Guidelines*¹ (CAP Guidelines). Additionally, air districts participating in CAP incentives must comply with the *Funding Guidelines for California Climate Investment* (CCI Funding Guidelines)² since California Legislature appropriates CAP incentives from the Greenhouse Gas Reduction Fund. The following reporting components described below are designed to meet the reporting requirements for both the CAP Guidelines and CCI Funding Guidelines.

Air districts will email their CAP incentives Mid-Cycle Reports to: AB617Incentives@arb.ca.gov.

Section 2: Reporting

1. Report CAP Incentives Project Information in CARL

Air districts will report project level information (i.e., equipment/vehicle/engine information, financial information, co-funding information, and priority population benefits) into the Carl Moyer Program Clean Air Reporting Log (CARL) database. Information for Proposition 1B Goods Movement Emission Reduction Program (Proposition 1B Program) projects funded with CAP incentives will also be reported via CARL. All reported projects must be under executed contract to be credited in the CAP incentives Progress Tracking Report. For this reporting cycle, 2023 Mid-Cycle Reporting, air districts will report project information, including updates to previously reported projects, through April 30, 2023.

Generate and attach the required CAP Incentives Progress Tracking Report from the CARL database front page to complete this form: <https://www.arb.ca.gov/app/cmp/>.

2. Report Jobs in Template

Air districts who received a grant award of \$1 million or more in any particular fiscal year must report on the jobs the air district supports to implement CAP incentives until such a time as the funds in that particular fiscal year are liquidated. For this reporting cycle, air districts will report the job activity between November 1, 2022 and April 30, 2023 using the provided jobs reporting template.

Complete the Jobs reporting tab of form MSCD/ITAB-191, Jobs-Outreach Reporting Template, and submit as an Excel document along with this form.

3. Report Outreach Efforts in Template

Under the grant agreement, air districts administering CAP incentives must hold public meetings and conduct outreach to seek input from local residents and community groups on community needs and potential projects. Outreach events may include AB 617 community steering committee and other meetings where CAP incentives are part of the agenda.

Air districts must report each public outreach event, including virtual events, held for CAP incentives between November 1, 2022 and April 30, 2023 using the outreach reporting template provided and available to download on the CARL database front page.

Complete the Outreach reporting tab of form MSCD/ITAB-191, Jobs-Outreach Reporting Template, and submit as an Excel document along with this form.

4. Co-Funded Projects

Air districts that co-funded projects must complete the co-funding form in the administrative section of CARL (CAP Guidelines, Chapter 3, Section G).
