

Fiscal Year 2022-2023 Grant Solicitation
Clean Off-Road Equipment Voucher Incentive Project (CORE)
List of Applications Received
July 13, 2023

Project Summary: The California Air Resources Board (CARB) released a solicitation for a Grantee to implement the Clean Off-Road Equipment Voucher Incentive Project (CORE) for Fiscal Year (FY) 2022-23 with an option to renew for a new Grant Agreement for each of the following two years. On November 17, 2022, CARB approved \$273 million for this program to accelerate the advancement of zero-emission off-road equipment. Up to 7 percent of the total funding may be used to support a project administrator (grantee).

The solicitation was open for applications May 25, 2023, through June 9, 2023. CARB received one application which is listed below.

Applicant	Project Implementation Funding	Total Grant
CALSTART	\$192,970,000	\$13,507,900
