Meeting Agenda

- Introduction
- Status of the rules for landscape equipment
- Incentive funding for electric landscape equipment
- Forming a panel of landscapers for future workgroup meetings
- Questions

Landscaper Workgroup - Introduction

- Opportunity for landscapers and California Air Resources Board (CARB) staff to discuss
 - Rules for landscape equipment
 - Incentive funding for electric landscape equipment
 - Landscapers' questions
- Ensure landscapers are informed of changes and opportunities
 - Meet four times per year

Small Off-Road Engines (SORE)

(Spark-ignition, ≤ 25 hp)

Rules Apply to Manufacturers

- Apply to new engines
- Certification required prior to sale
- No in-use requirements for equipment owners
- Owners may continue purchasing and using equipment

Updated Rules

(Effective January 1, 2023)

- Transition new production to zero emissions in two phases
- Manufacturers may continue producing some engines
- Do not prohibit sale of CARB-certified equipment

Transition to Zero Emissions: Phase 1 Model Years 2024-2027

- Emission standards of zero for most engines
- More stringent emission standards for pressure washers ≥ 225 cc and portable generators
- Products available in stores will change over time
- Certified engines may be purchased as long as they are available

Transition to Zero Emissions: Phase 2 MY 2028+

- Emission standards of zero for all engines, including pressure washers and portable generators
- Manufacturers may produce some engines through model year 2032
- Certified engines may be purchased as long as they are available

Proposed Federal Tax Credit

- *Promoting Reduction of Emissions Through Landscaping Equipment Act*
 - Introduced by Rep. Correa, October 2023
 - 40% tax credit on ZEE purchases
 - All businesses eligible
 - Up to \$25,000 per year
 - Up to \$100,000 in 10 consecutive years

Summary

- SORE rules apply to manufacturers
- Updated rules became effective January 1, 2023
- Transition to zero emissions in two phases

Carl Moyer Lawn and Garden Incentives

Landscaper Workgroup Meeting 11/14

Carl Moyer Lawn & Garden Program
