

# **Truck Regulation Implementation Group (TRIG) Kick-off Meeting**

Advanced Clean Fleets (ACF) Regulation

# ACF Background

- Adopted by Board April 28, 2023
- Approved by Office of Administrative Law October 1, 2023
- Transitions fleets to zero emissions vehicles (ZEVs) over the course of the upcoming decades and guarantees a vehicle's full useful life
- Affects
  - Vehicles with a gross vehicle weight rating >8,500 pounds, and
  - Off-road yard tractors, and
  - Light-duty mail and package delivery vehicles
- Applies to
  - Drayage fleets,
  - State and local government fleets, and
  - Fleets that have either \$50 million or more in gross annual revenue, or own, operate, or have common ownership or control of a total of 50 or more vehicles

# Purpose of TRIG

- Successful implementation of the ACF Regulation as written
- Facilitate constructive dialogue to address rule implementation challenges
- Create and foster relationships between affected parties
- Develop recommendations and action items on key issues

# Member Expectations

- Attend all meetings or have representative attend
- Provide input and constructive feedback on relevant issues
- Positive and proactive, solution oriented, discussion for successful rule implementation
- Not a platform to discuss changing the rule

# Member Roles

- Co-chairs facilitate open “round table” discussion to improve productivity between active members and keep group on topic
- Group panelists can provide input and comment
- Participants from the public will be able to listen to the group discussion and can be provided the opportunity for input or comment
- CARB staff will provide support as needed

# Kick-off TRIG Meetings

## December 4, 2023:

- 10 a.m. to 12 p.m. Border Communities
- 1 p.m. to 4 p.m. Infrastructure

## December 8, 2023:

- 10 a.m. to 12 p.m. Outreach
- 1 p.m. to 4 p.m. Rule Provisions

To register for any of the TRIG meetings, visit the ACF webpage:

<https://ww2.arb.ca.gov/our-work/programs/advanced-clean-fleets>

All meetings will be recorded and posted online.

# Collaboration with Border Communities

# Border Communities Group

- Provided guidance and information to meet regulatory requirements to border fleets
- Work with border fleets on solutions to challenges
  - TRIG
  - Coordinate discussions with State agencies and others
- Explore coordination opportunities, for example:
  - Fleet operators in Mexico
  - Border communities

# Informative Events

- Staff has conducted outreach at the border beginning in October 2021
- 14 separate engagement efforts
- Most Recent Events
  - August 10, 2023 – Otay Mesa Outreach Event
  - October 18, 2023 – Advanced Clean Fleets Regulation Training Webinar
  - October 20, 2023 – Chula Vista Ride and Drive

# California-Mexico Communities

- Communication Channels
- Barriers to Incentives & Financing
- Technology Innovation Opportunities
- Academic Research and Data Analysis
- Recommendations

# Next Steps

- Future meetings
  - Quarterly?
  - Virtual
  - In-Person Meetings
  - Hybrid
- Academic Inclusion
  - Research/additional data
- Getting the information to group members
- Topics for future meetings
