

Advanced Clean Fleets Truck Regulation Implementation Group: Outreach Agenda

January 29, 2024

Time: 3:00 pm – 4:30 pm

Welcome—Anmarie Rodgers, CARB

Topics—Chris and Cecile

- Review draft of Important Compliance Dates Calendar
- Brainstorm ideas for a Reporting Toolkit (Suggestions on what topics to include in the reporting toolkit and videos)
- Prioritize easy to understand graphics/visuals to help explain components of ACF (milestones options for fleet percentages, vehicle groups, funding, etc.)
- Suggestions for ACF Q&A Sessions (Drayage, HPF, SLG, provisions, milestones options, etc.)

Questions/Comments from TRIG panel

Open to public comments (time permitting)

Closing remarks—Bruce Tuter, CARB

More information and meeting materials for this workshop are available on the Truck Regulation Implementation Group, Meetings and Events Page, web link: <https://ww2.arb.ca.gov/our-work/programs/advanced-clean-fleets/meetings-events/truck-regulation-implementation-group>
