

# First Workgroup Meeting Series

- December 4, 2023
  - Border Communities Workgroup
  - Infrastructure Workgroup
- December 8, 2023
  - Outreach Workgroup
  - Rule Provisions Workgroup
- Future meetings
  - Quarterly and as needed

# Overview

- Introduction
- Purpose
- Member roles and meeting expectations
- Discussion
- Next steps

# Introduction

- Committed to successful implementation of the Advanced Clean Fleets (ACF) Regulation
- Discuss best practices for ACF implementation consistent with the regulation language
- Develop recommendations and action items on selected topics
- Facilitate constructive dialogue to address key rule implementation issues

# Purpose

- Not a forum to make changes to the regulation
- Identify the main concerns for fleet owners/operators
- Feedback from meetings will help CARB and partner state agencies implement ACF

# Member Roles and Meeting Expectations

- Chairs facilitate open “round table” discussion and maintain productive meetings
- Active members
  - Are panelists in Zoom
  - Engage in constructive dialogue
  - Respect people and their time
  - Mute own microphones to reduce background noise
  - Review meeting summaries timely
- Seek consensus where possible

# Workgroup Meeting Information

- Meeting materials to be posted at <https://ww2.arb.ca.gov/our-work/programs/advanced-clean-fleets/meetings-events/truck-regulation-implementation-group>
- Pre-meeting materials
  - Agenda and handouts for discussion
- Post meeting
  - Review and comment on action item summaries
- Meetings will be recorded

# Infrastructure TRIG Agenda

- CARB Staff Introductions
- Co-Chair and Panelist Introductions (3 minutes)
  1. Name and affiliation
  2. Your organization/services/constituents
  3. Top challenges facing ZE truck deployments

## Break

- Identify/Prioritize Common Themes and Challenges
  - Establish and prioritize agenda topics for future meetings
- Open Comment
- Next Steps

# Next Steps

- Quarterly Meetings
  - Agenda for Next Meeting
- What does action look like?
- How can this group affect change?

# Infrastructure TRIG Contacts
