Subject: Port plan for POLA
Date: Thursday, April 25, 2024 10:42:18 AM
Attachments: [image001.png](#)

Hello Amber,

I wanted to follow back with you regarding the complete terminal plan letters that were sent out yesterday.

All of the updated POLA terminal plans were deemed complete so the POLA Port Plan has fulfilled the requirements of the Regulation as set forth in section 93130.14(b). CARB considers the Plan complete, and no changes are necessary at this time.

Please let me know if you have any questions.
