

ZEE Roadshow

Zero-Emission Equipment for Grounds Maintenance

Switching to electric lawn and garden equipment can save money and reduce noise and air pollution. The California Air Resources Board (CARB) has put together a trailer with several brands of zero-emission equipment (ZEE) for grounds maintenance, so organizations may use them for a few weeks before investing.

Owner & User Feedback

- "Plenty of power to get work done."
- "Good for small areas and tight spaces."
- "Useful near large groups, as ZEE is quiet."
- "Enough power to do the job... People need to embrace the change to electric."

Why convert to ZEE?

- No fuel to buy or mix
- Reduced noise
- Lower vibration
- No exhaust exposure
- Easy to start
- Low maintenance
- Lower lifetime cost

Types of ZEE included*

- Edgers
- Mowers
- Trimmers
- Chainsaws
- Pole saws
- Blowers

Brands in trailer*

- ECHO
- EGO
- Greenworks
- Husqvarna
- KRESS
- Makita
- Milwaukee
- Stihl
- TOWA

* The trailer inventory may change as new brands and upgraded ZEE are added.
