

SETTLEMENT AGREEMENT

This Settlement Agreement is entered into between the California Air Resources Board (CARB), with its principal location at 1001 I Street, Sacramento, California 95814; and Coso Operating Company LLC, with its principal location at 3 Gill Station Coso Road, Little Lake, California 93542 (collectively, the "Parties," or individually, "Party").

LEGAL BACKGROUND

- (1) Purpose. The Global Warming Solutions Act of 2006 mandates CARB to adopt regulations to reduce greenhouse gas emissions and to enforce those regulations. (Health & Saf. Code §§ 38560, 38562, and 38580).
- (2) Regulation. CARB adopted the "*Regulation for Reducing Sulfur Hexafluoride Emissions from Gas Insulated Switchgear*" (SF₆ GIS Regulation) to achieve greenhouse gas emission reductions by reducing sulfur hexafluoride emissions from gas insulated switchgear. (Cal. Code Regs., tit. 17, §§ 95350-95359.)
- (3) Regulatory Provisions. Any owner of gas insulated switchgear must comply with the annual emissions rate and inventory measurement procedures, maintain records, and submit an annual report containing specific information to CARB by June 1st of each year. (Cal. Code Regs., tit. 17, § 95350 et seq.)
- (4) Penalty Provisions. Failure to comply with the regulatory requirements is a violation of state law that may result in penalties up to twelve thousand eight hundred ten dollars (\$12,810.00 USD) for strict liability violations, respectively, for each day in which the violation occurs. (Cal. Code Regs., tit. 17, § 95350 et seq.; Health & Saf. Code §§ 38580, 42400 et seq., 42402 et seq., 42411, and 42410.)

CASE BACKGROUND

- (5) Corporate Entity. At all relevant times, Coso Operating Company LLC was organized under the laws of the state of Delaware as a Limited Liability Corporation and conducted business in the State of California.
- (6) Allegations. CARB alleges that Coso Operating Company LLC violated the SF₆ GIS Regulation by being an owner of gas insulated switchgear that exceeded the maximum annual emissions rate (Cal. Code Regs., tit. 17, § 95352), resulting in 21 days of violations, as outlined in Notice of Violation SF6-2024-002. (Cal. Code Regs., tit. 17, § 95350 et seq.) CARB alleges that if paragraphs 1 through 6 were proven, civil penalties could be imposed against Coso Operating Company LLC for each and every exceedance involved in the violations and each day.

- (7) Acknowledgment. Coso Operating Company LLC admits to the facts in paragraphs 1 through 6, but denies any liability resulting from said allegations.
- (8) Consideration. In consideration of the foregoing, and of the promises and facts set forth herein, the Parties desire to settle and resolve all claims, disputes, and obligations relating to the above-listed alleged violations and voluntarily agree to resolve this matter by means of this Settlement Agreement. In order to resolve the violations described herein, Coso Operating Company LLC has taken, or agrees to take, the actions enumerated below within the Terms and Conditions. Further, CARB accepts this Settlement Agreement in termination and full settlement of this matter.

PENALTY BASIS

- (29) Per Unit Penalty. - (30) Emissions. The provisions cited in Paragraph 6 (Allegations) above prohibit emissions above a specified level. Coso Operating Company LLC did not meet the regulatory requirements, and all of the emissions above the specified emissions limit were excess and illegal.
- (31) Aggravating and Mitigating Factors. The penalties in this matter were determined in consideration of all relevant circumstances, including statutory factors as described in CARB's Enforcement Policy. CARB considered whether the violator came into compliance quickly and cooperated with the investigation; the extent of harm to public health, safety and welfare; nature and persistence of the violation, including the magnitude of the excess emissions; compliance history; preventative efforts taken; innovative nature and the magnitude of the effort required to comply, and the accuracy, reproducibility, and repeatability of the available test methods; efforts to attain, or provide for, compliance prior to violation; action taken to mitigate the violation; financial burden to the violator; and voluntary disclosure. The penalties are set at levels sufficient to deter violations, to remove any economic benefit or unfair advantage from noncompliance, to obtain swift compliance, and the potential costs, risks, and uncertainty associated with litigation. Penalties in future cases might be smaller or larger depending on the unique circumstances of the case.

- (32) Confidential Business Information. CARB may have based this penalty in part on confidential business information provided by Coso Operating Company LLC or confidential settlement communications.
- (33) Effect of Settlement/Reservation of Rights. The following shall apply:
- (a) This Settlement Agreement resolves the civil claims of CARB for the violations alleged in this Settlement Agreement.
 - (b) CARB reserves, and this Settlement Agreement is without prejudice to, all claims, rights, and remedies against Coso Operating Company LLC with respect to all matters not expressly resolved in this Settlement Agreement.  - (v) Any criminal liability.
 - (vi) Any claim(s) of any officer or agency of the United States or California, other than CARB.
 - (c) In any subsequent administrative or judicial proceeding initiated by CARB for injunctive relief, civil penalties, or other appropriate relief relating to enforcement of the Settlement Agreement, Coso Operating Company LLC shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by CARB in the subsequent proceeding were or should have been brought in the instant case.

- (d) This Settlement Agreement does not limit or affect the rights of Coso Operating Company LLC or of CARB against any third parties not covered by this Settlement Agreement, nor does it limit the rights of third parties not covered by this Settlement Agreement against Coso Operating Company LLC, except as otherwise provided by law. This Settlement Agreement shall not be construed to create rights in, or grant any cause of action to, any third party not covered by this Settlement Agreement.
