Table 2: Regional and CARB Allocations

Allocation	Total Allocation	Administration Allocation	Project Allocation	Required Match
San Joaquin Valley Region Total ¹	\$17,610,357	\$2,207,208	\$15,403,149	\$2,641,554

Allocations are tentative, based on initial calculations per the Health and Safety Code, and prior to adjustments following responses to the solicitation. The Administration Allocation is pending CARB's Board approval of the 2024 Carl Moyer Guidelines. The current proposal is that air districts with populations under one million inhabitants will be able to allocate up to 15% of their total grant to administration and air districts of one million and over inhabitants will be able to allocate up to 12.5% of their total grant to admin. This proposal is reflected above. These amounts should not be cited in air district board resolutions and minute orders. Final grants will differ.

¹ San Joaquin Valley Region Total is the combined total allocations from San Joaquin Valley APCD and Great Basin Unified APCD
